Our Institution has established the Feedback Committee to collect the data from students through feedback system. The feedback committee collected four types of feedback from Students that they are 1) Students Feedback on Institution 2) Students Feedback on Curriculum 3) Students Feedback on Syllabus and 4) Teacher's Evaluation. After collection of feedback, feedback committee analysed the feedback under the supervision of the IQAC Committee and Principal of the College.

The feedback analysis report from students reveals that they are satisfied with the facilities that institution provides them. Students' feedback on curriculum also reveals that curriculum of the syllabus contents and learning resources are also good. Students' evaluation on teachers' performance is also good. Students made their evaluation based on the contents like Time Management, Subject Command, Use of teaching Methods and their ability to control the class room.
