### Action Taken Report of Feedback Analysis

**2019-20**

Pansare Mahavidyalaya Arjapur established the Feedback Committee to collect the data from students through feedback system. The feedback committee collected four types of feedback from Students that are 1) Students Feedback on Institution 2) Students Feedback on Curriculum 3) Students Feedback on Syllabus and 4) Teacher's Evaluation. After collection of feedback, feedback committee analysed the feedback under the supervision of the IQAC Committee and Principal of the College.

The feedback analysis report from students reveals that they are satisfied with the facilities that institution provides them. Students' feedback on curriculum also reveals that curriculum of the syllabus contents and learning resources are also good. Students' evaluation on teachers' performance is also good. Students made their evaluation based on the contents like Classroom facilities, Recreational facility, Hostel facility Interaction with administration and Internet Facility on the campus.

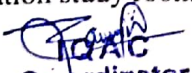

The analysis report confirms that, the majority of the students are reported that they are happy with the facilities available on the campus. They are satisfied with the development of the college. Still some of the students suggest that they need some improvements during their course of the study.

- 1) To develop the classroom facilities like fans and provide Internet facility.
- 2) To provide the study material for the competitive exams.

We have discussed these suggestions in the IQAC Meeting in the presence of Principal of our college, these suggestions have taken seriously and it is decided that:

- 1) Principal of the institution will take note and take necessary action to provide the facilities.
- 2) Principal of the institution give direction to the Co-ordinator of the Competitive examination cell to provide the study material to the students.

It has been decided that to encourage the students to visit the library and spend their time in Competitive examination study room during their leisure time.
