**Action Taken Report of Feedback Analysis**

**2021-22**

Pansare Mahavidyalaya Arjapur established the Feedback Committee to collect the data from students through feedback system. The feedback committee collected four types of feedback from Students that are 1) Students Feedback on Institution 2) Students Feedback on Curriculum 3) Students Feedback on Syllabus and 4) Teacher's Evaluation.

After collection of feedback, we have analysed the feedback under the supervision of the IQAC Committee and principal of the college.

The feedback analysis report from students reveals that they are satisfied with the facilities that institution provides them. Students' feedback on curriculum also reveals that curriculum of the syllabus contents and learning resources are also good. Still some of the students have suggested to:

- 1) Introduce the certificate courses in the college.
- 2) To provide Computer Lab facility with Internet

The analysis report confirms that, the majority of the students are reported that they are happy with the facilities available on the campus. They are satisfied with the development of the college.

We have discussed these suggestions in the IQAC Meeting in the presence of Principal of our college, these suggestions have taken seriously and it is decided to:

- i) Introduce the certificate courses in the college.
- ii) To provide computer lab with Internet facility to the students.
